CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nerves and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stogall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. . . I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists.

AT 10 O'CLOCK A. M.

In three tracts and then as a whole, we will sell the beautiful 331 acres farm belonging to S. C. "Didn't Rest Well"

Prominent Georgia Lady Suffered from Faint Spells and Sleeplessness—Relieved by Ziron.

PEOPLE who get to feeling weak every now and then, and who do not seem to get the proper refreshment from rest, sleep and recreation, need a tonic to help their blood revitalize and build up their system.

For this, you will find Ziron Tonic very valuable, as the testimony of thousands already has proved. Mrs. J. W. Byrart, lady of a prominent Georgia family residing near Cartersville, says:

"I didn't feel like myself,

"I didn't rest well some nights. I would be just as tired when I got up in the morning as when I went to bed. I would get weak, and have kind of faint spells—at times hardly able to do my housework."

"I heard of Ziron, and felt maybe a tonic would help me. I thought it would at least strengthen me."

"I believe Ziron has done me good. I feel better. I am glad to recommend it as a good tonic."

Try Ziron. Our money-back guarantee applies to you. At your druggist's.
